

# EB<sup>®</sup>5 TERMINAL SIRE

PRODUCT SHEET

## EB5 TERMINAL SIRE Your Choice to Exceed Meat Quality Demands Throughout the World

When meat quality is important, there's no better boar than the EB5. Quality measurements in the critical areas of pH, muscle firmness and muscle sore acceptance translate into product that meets or exceeds the highest standards of meat quality, including Japanese Color Score acceptance. Good growth performance and durability are also part of this boar's value characteristics.

### EXCEPTIONAL MEAT QUALITY AND CARCASS TRAITS

Carcass and Meat Quality Evaluation, EB5 x GPK 35.

#### CARCASS TRAITS

CARCASS WEIGHT, (lbs)	222.80
